At capsule corporation Vegeta hasn't given up his training. He now uses the gravity room. His son joins him, but surprisingly Yamcha has been willing to train with Vegeta under 500 times gravity. ( back ground fighting noises ) A shock wave appears in the air of to great bodies fighting. The shockwaves go from one place to another going real fast. Now you can see Yamcha and Vegeta exchanging blows with white shockwaves coming from each blow. Vegeta charges up a blast in his right hand while Yamcha is coming down with his fist in the air ready to hit Vegeta. Vegeta now lifts his arm up and fires the blast at Yamcha. Before the blast hits Yamcha disappears with streaks of lines of where he use to be.

The blast soon goes away, and you now see Vegeta with his hand still in the air with smoke coming out of his hand. Vegeta clearly angry. The little eight year old boy trunks looks up at the battle and says to himself. "Yamcha has become stronger than he was before he was able to dodge fathers blast". Yamcha now appears behind Vegeta, Vegeta's eyes move to the corner of his head to spot Yamcha. With a turn around kick, kicks Yamcha in his jaw sending him falling into the wall below then hitting the ground. Vegeta slowly levels his self to touch the ground laughing at Yamcha. "What made you think a pitiful human like your self can train with a Sayin especially with one with royal blood flowing through his vains, you should give up now human". Yamcha with his back on the wall lifts his arm up and wipes the blood draining out of his mouth. Slowly he opens his eyes and looks at Vegeta, Vegeta raises his eye brow. Yamcha gets up and get into a fighting position. "Bring it on". Yamcha says. Vegeta with his arms cross smiles at him impressed.

At Gokus house you see Gohan and Goten playing tag. Flying across the air the young boy Goten chases Gohan. Gohan lands on a large rock Goten coming down towards him Gohan moves out the way when Goten land's on the rock hard completely destroying the rock, Goten quickly shoots up forward to get Gohan when you hear.

“Gohan! Goten! come here please”. Chichi calls them inside the house, there you see Goku eating all the food on the table. “Stop eating all the food Goku”. Chichi tells him. “Yes Chichi” says Goku with a mouth full of food.

“Now Gokus birthday is Tomorrow I want you to call every one that he knows. And invite them to Master Roshi’s place got it”. Chichi informs Gohan and Goten. Gohan replies “ Yes mother but can I invite Mr. Piccolo”. Chichi gets angry for a while but she has seen Piccolo and in her mind he’s not that much of a bad influence. “Yes you can invite Piccolo you should also bring that one rich girl Videl was it”? “Oh yea I should invite her”! Goten looks up with a childish smile “Gohans got’s a girlfriend”. Goku chuckles “Gohan I would want to meet your girlfriend again bring her along and tell her she can bring her father Mr. Satan he’s a pretty nice guy”. “SHES NOT MY GIRLFRIEND”. Gohan shouts and blushes.

At Master Roshi’s place. “Krillin”! #18 says start decorating the place for Goku’s party. Maron comes up to her father. “Hey daddy can I help”. “Yea sure go take this to mommy”. “Ok”. Krillin is on a ladder putting up a big sign that says HAPPY BIRTHDAY GOKU. Krillin’s feet slowly ascend off the ladder he doesn’t even notice. He looks at Master Roshi sitting in a lounge chair reading a porno with Olong peeking over his shoulder. Krillin smiles and yells “ Hey Master Roshi wanna help”. Master Roshi pulls the magazine down slowly and looks at Krillin. “Noooooooooooo why dont you take a rest and come look at this with me”. “No I have to get this done”. “On better thought why dont you stop and go screw your wife if I was you ill hit every second and puffing her breast oh puff puff”. Krillin smiles and blushes his cheeks turn red.

Far away a car drives towards Tien’s house. A familiar face but in the passenger seat sits a young strange boy.

## Chapter 2: The child Tien never knew

Over these great mountains on an unknown island Tenshinhan continues his training. Tenshinhan is standing a good long distance from his house punching and kicking as fast as he can. He jumps in the air punching and kicking bouncing off of cliff to cliff pieces of every cliff falling off. Tien lands on the ground whering his garments that he wore when buu was around only with out the the whit shirt underneath and with out the cape. After a second of resting he continues his punches and kicks.

Far behind Tenshinhan is his house the camera zooms in and you see Chaouzu looking staringly out the window at Tenshinhan trains. “Tien trains so hard day in and day out he’s going to kill himself if he doesn’t stop. I wish there was something I can do but my power is nothing compared to Tien’s if I were to train with him I would most certainly get in the way if I wasn’t careful Tien would prolly accidentally kill me since he trains so intensely”. YAH you can hear the screams and punches slicing through the air Tien stands still clinches his fist. “ I will not be second best to these Sayins I train harder

Tien puts the picture down, Tien and Chaouzu hear a knock on the door. Knock knock knock! Tien walks to the door Chaouzu following close behind. As Tien grabs the knob of the door he thinks to himself. Who could possibly be at this place. He opens the door.

The look of shock on his face as he says. "Lunch". Lunch looks at him. Hi Tien how are you". Tien still with a look of shock on his face says "I am good what brings you out here". Chaouzu runs out the door "LUNCH". And hugs Lunch almost knocking her down. Lunch smiles " Nice to see you to Chouzu". "Tenshinhan I have something to show you". She looks at the car she yells "Tien come here". A young boy opens the door and steps out the car he has white undershirt on with no sleeves but a white un buttoned shirt over it with white genes on.

He has black hair, cut into a bowl cut he his eyes are like Tenshinhan and he has the third eye of Tenshinhan. The boy walks right beside Lunch already taller than her. Tien's face of shock has become stunned. Lunch looks at Tenshinhan and says "This is your son."
