"You remember when me and you got into that big argument that ruined our relation ship well 4 months before that we had sex and that's when I got pregnant.

I didn't relize it until after we broke up I relized that I was getting fat. Then 5 months later I had the baby. When I looked down at him I knew cried his third eye reminded me of you. When I found out that you died against that one Sayin I was devastated my heart broke. Little Tien is all I had to remind me of you. Then I saw you on the camera when the cell games started I jumped out of my seat as happy as I can be I grabbed little 5 year old Tien and held him.

That's your daddy I whispered to him.I then relized they must have wished you back with the dragonball's. I wanted so bad to come visit you but we left on so bad terms and I didn't know how you would react to the child. Then 7 years has passed me and your son died when That pink guy blasted the earth but we came back to life. I was so happy but I had to rebuild my life. When he turned 13 he wanted to meat his father.

When he turned 14 I decided no matter what I'll take him to see his father no matter what.I named him after you. He takes after you you should see the way he trains he tought him self how to fly and how to use his Ki energy".Tenshinhan smiles looks down at his son then he levels him self with his son. " So I hear your a fighter wana show me what you've got". The boy looks at his father and smiles. " Ya sure why not."

Both of them walk passed Lunch and Chaouzu. "Oh not another one". Chaouzu says with a smile on his face still happy to see Lunch and smiling about all the good news he heard. He now thinks that they can all be a happy family again.Including the new Tien.

Tien and Tien stand in the middle of a field facing each other. "Shall we begin".

CHAPTER 4: A young warriors test of power

The two fighters look at each other Tien charges towards his father with a trail of dust behind him he throws a punch at his father Tenshinhan easily blocks it and smiles.The kid throws a series of punches and kicks Tenshinhan dodges every one. Tien flies up

Tenshinhan just looks at him. Tien fist begin to glow in gold electricity Tien screams “Rapid fire”. Tien fires a series of blast at Tenshinhan.

Both of his hands go up and down firing all of his blast at him. Tenshinhan just stands there as hundreds of blast hit the ground and him. Lunch looks at Chaouzu and says “I have to deal with this all the time”. Chaouzu laughs. “Oh you should see the things I have to deal with this is a walk in the park for me”. “Ya when I was driving over here I could feel the ground shaking and a huge light shooting up at the sky”.

Tien loses breath and stops firing he is not worried if his fathers hurt or not because he knows that he’s a strong guy. He looks down at the ground completely covered in smoke. The smoke begins to clear now you see Tenshinhan in the clearing smoke standing still looking up at his son. Tien wastes no time he burst in power and rushes towards Tenshinhan. “Yaaaaaaaaaaaaaaaaaaaaah”. Tenshinhan smiles “ Now I know he has to be my son”. Tien throws a punch at his father Tenshinhan catches the punch and kicks him in the stomach and throws him in to a cliff.

Parts of the cliff falls apart and fall on the young boy. Lunch starts to get scared. “Do’nt worry if hes Tenshinhan’s son he wont be that easily taken out”. Chaouzu says to Lunch. Tenshinhan looks at the fallen rocks. “Maybe I should have taken it a easier on him”.

But then you see streams of light shoot through the cracks of the fallen rocks as the boy screams and powers up and blows all the rocks away. Tien flies up a little and fires a blast at the ground the smoke from the blast covers the field. Tien lands on the ground and starts to move from side to side real fast diapering and reappearing every time.

Tenshinhan uses his third eye to see his attack through the smoke. He decides to let him hit him to see how much power he has behind it. The young boy comes out of the smoke and lands a fist on Tenshinhan’s face. The hit barely moved his head and his left foot moved an inch. Tien looks at his father with an evil look then jumps back and lands on his feet. “ You let me hit you”. He screams at his father.

“Well I wanted to see how strong you were, not bad not bad at all. Tien looks at his father and smiles. “Shall we continue”. “No your not strong enough to handle me just yet but I will show you some things to make you more powerful. Follow me”. Tenshinhan says for his son to use his third eye to copy every move that he does Tien agrees. Tenshinhan places his hands in a cupped shape in front of him and then brings them behind his back. Tien follows every movement with clarity.

Tenshinhan now tells him that this move takes a portion of your energy and released through both hands. Tien nods his head in agreement. Tenshinhan opens first and Tien follows in the chant. “KAAAAMEEEEEHAAAAAMEEEEEHAAAAA”!!!!Tien

say the same chant at the same time as his father. Two huge bluish beams of light head towards a far away mountain. The two beams slam in to the side of the mountains causing a huge explosion and sending smoke and a shock wave of wind.

The two fighters stand right beside each other the wind flapping there clothes in the wind. "Nice it's obvious that the use of your third eye is working fine. I want to show you one of the most powerful moves ever, but if you do'nt do it right it could lead to your death. Are you willing to take that risk?" "Of course I am". "That's my boy". Tenshinhan flies slowly into the air followed after awhile by his son they reach a level of at least 200 feet in the air. Tenshinhan now turns his head and looks at his son. "Now this attack when I made it up always took half of my energy away if I was weak enough it would kill me. I want you to watch me first then after you can do it.

This move require you to zoom in on the target and take all the energy in your body and release it but the quickly repowering your self before you pass out of lack of energy. Tenshinhan takes his clenched fist and open then them and put all the fingers on his hand's at there tips forming a diamond shaped with his hand's. The view in between his hands begin to get larger and the ground has zoomed in three times. SHINK KIKOHO..... HAAAAA!! A gold beam shoots out the hands of Tenshinhan and slams into the ground below totaling the ground with huge pieces of the ground break around the hole that has been created. Tenshihan still with his hands locked in a diamond shape relaxes his arms and sets them in a crossed over position.

Tien is shocked at what he sees, even though it wasn't that big of a blast the power that was behind it was great. Tenshinhan yells at Chaouzu. "Go get the senzu beans there inside". "OK". Chaouzu runs inside and gets them. "You might need it the first time is always a struggle". Tien gets ready as he prepares to do the kikoho he puts his hands in a diamond shape. Sweet dripping from his face and his eye brows vibrating in frustration. SHINK KIKOHO.....HAAAAAAA!!!!The boy burst in flames of electricity and as the gold beam races to the ground the beam makes impact tearing the ground apart.

After the smoke had cleared and the debree Tien's eye's roll in the back of his as he losses balance and starts to fall. Tenshinhan flies to him before he hits the ground and catches him. Chaouzu runs over followed by Lunch. Tenshinhan hold his son up while Chaouzu feeds him the senzu bean. Tien's eyes slowly open and he gets back on his feet. "I guess I haven't got the hang of it yet". Tenshinhan smiles. "Ya that must be it". Lunch slaps Tenshinhan on the arm barely. "First day you meat your son and you already almost killed him". She being sarcastic though knowing that Tenshinhan's heart was to good for him to let any one die.

All four of them walk into the house they rest for a while. Then the phone rings Tenshinhan walks to the phone and answers it. "Hello". "Hey this is Gohan I know your not a very social person but my fathers birthday is tomorrow and it would mean allot to

him if his old friend Tenshinhan would show up”. “ Well I do’nt know I’ll think about it”. “Come on Tien put the training aside for one day tell you what you can train at Master Roshi’s thats where the party is going to be well have allot to do hope you come bye”. “Bye”. “Who was that”. Lunch ask. “It was Gohan Goku’s son he was wondering if I wanted to come to his fathers birthday party.

“Well lets go its been along time since I seen Goku and now he has a grown son I have to see all that has been going on so what do you say and you can show every one your son”. Chaouzu with a happy look on his face. “How about it Tenshinhan I haven’t seen them in along time and it is Gokus birthday and you’ve know him ever since he was a kid and Lunch has known him before you, you make one acception can you”? “Well umm I guess so well go to Master Roshis house Tomorrow”.

Piccolo clears his mind to sense everyone around him. "What some one's coming he opens his eyes and looks at the sky he see's a flicker of light in the sky. He senses a high power level decreasing.
