Krillin put's the ship on auto pilot. He walks to where Goku is, Goku's eyes begin to open. "What What happened"? Goku ask. At this time Vegeta wakes up and looks at Goku and Krillins conversation. "Well Syfris was one of them he lead us here for some reason that I dont know. Vegeta tried to fight those two other guys but failed. So Tenshinhan and Yamcha stayed behind to hold them off. "What no we have to go back for them"! Goku says trying to get up. "No Goku we cant,we barely made it out of there alive the last time with that anti moon light and all.

Goku grits his teeth in anger. Vegeta relaxes in his chair then thinks of his fight with Zushini and Tigris. He gets angry at being defeated he stands up and powers up in to a Super Sayin with gold flames around him. Goku turns around in shock and so does krillin. Vegeta looks down at his fist. "NO I could have defeated them if it wasn't for that damn light"! "Calm down Vegeta". Krillin says getting out of his chair. "What dont tell me to calm down you pitiful excuse for a fighter say one more word to me and I wont hesitate to kill you"! Krillin falls back in his chair in fear. "Hey wait we can use my instant transmission to get back to the planet and help them". Goku says happily.

"I'm not interested in helping them two I'm going to get my revenge on those red skinned freaks and then we can worry about your pitiful little friends after I have been satisfied". Vegeta says still in his Super Sayin form with a vain in his forehead swelling because of all the screaming he has been doing. Goku walks over to Vegeta and puts his hand on his shoulder. "Do you want to come Krillin"? "Oh no Goku not after that". Krillin then relizes that them two would be weakened again like before because of the light. "Never mind I'll come along to you might need me". Goku smiles as Krillin walks towards Goku, Goku puts his hand on Krillins head pushing his hair down.

Goku raises two fingers to his head. He concentrates as hard as he can. "Oh I forgot I dont know where the planet is. Krillin laughs but soon remembers You and Yamcha. " Damn your stupidity Kakarot". Vegeta says pushing Goku's hand off of his shoulder. Vegeta's flames go away and he turns back to normal then flops back down into a chair.Krillin checks the ships navigation computer to see where they had just came from but he see's that Syfris must have erased the coordinates on the ships computer when he was flying the ship. Gohan is still sleeping through all of this because his body is healing since he put it to it's limits.

Tenshinhan opens his eyes to four more new figures all with the same red skin and same red eyes. One of them has white shining armor on covering his chest with white

pants and white boots. Two of them have a long purple robes on with a golden belt. The other has only blue pants on and a blue vest with black boots. Tenshinhan looks at the side of him and see's Yamcha wake up. They both are chained with energy chains bound by there wrist. Zushini and Tigris walk out of a dark room with a different looking person than the others. He is dressed in a white long sleeve shirt with white pants with black boots and a black belt with a gold piece in the middle of it. On top of all of that is a long vest reaching close to the floor. His face looks normal he has a red shiny diamond on his forehead. He has long gray hair tied in a one big brade. His eye brows are also gray obviously advanced in age.

The man begins to speak. "So these people are from earth are they Sayins". Zushini answers in a scared tone. "Umm well the Sayins that were here escaped because of these two but I assure you that these two are powerful enough to fit the needs of the master sire. "Well you better hope so for your sake, he will not hesitate to get rid of the rest of your race". "Yes I know". The man walks toward Tenshinhan. "Who are you are you this master that they speak of". Tenshinhan ask looking up since he is sitting down chained to the ground. "My name is Chinkisu and no I'm not the master but I'm as close to him as you'll ever get. Now dont resist I'm going to read your mind to see if you fit our needs".

## CHAPTER 10: A prelude of the past

Chinkisu places his hand on Tenshinhans head. "What are you going to do" "Just relax I have to know who you are. Your name is Tenshinhan you were abandoned by your mother when you were a child left in the forest to die. But you were able to survive you using your instincts became powerful and agile your senses grew great. So great that one day during meditation that your body adapted and gave you your third eye, giving you senses beyond anything.

You soon grew up and met a martial artist named Tsurusennin he trained you hard and taught you all his fighting skills. Later you met your long time companion Chaouzu you have a strong feelings for this one like you little brother. When the 22nd Tenkaichi Budoukai came around you defeated every one there showing off your power until you met this young kid named Goku. Who was even in strength with you after a long battle exchanging blows after blow. You destroyed the ring with an attack but Goku caught you off guard and hit you in the torso, sending both of you flying towards the ground but Goku hit the ground first making you the strongest fighter in the world.

You went on to help this young child amazed by his skill. Both of you went on to fight a great evil called Piccolo Daimao it was all up to you, you had to take him on all alone while Goku goes to get holy water from Karin and after doing your best against him try to catch Piccolo Daimao in the mafuba after fighting him you do not succeed and get beaten but Goku appears again. But Piccolo Daimao fires a blast at Goku and you save him by taking the blast for him. And when Piccolo sees that he cant win against

Goku he picks you up by his head and threatens Goku if he moves he'll crush your head but eventually he puts you down and Goku defeats him.

At the 23rd Tenkaichi Budoukai you face a grown up Goku showing him all your new techniques. Goku has to take his weighted clothing off to beat you after a long battle you lose. When the threat of the Saiyans came you were more than willing to go to Kami's and train since you have spent your whole life to training. After going into a room that takes you to the past and you getting beaten by the Saiyans of the past continue to train.

Soon the Saiyan's Vegeta and Napa come. You come on the battle field confident of your skills. You easily dispose of one of the Saibamen the creatures that Napa created. Napa sees your power and goes after you and knocks your fore arm off. After seeing your friend Chaouzu give his life trying to kill Napa and fails you go on a rampage towards Napa. But eventually getting knocked aside for awhile you get back up and charge all of your energy and fire it at Napa not killing him but doing more damage than any one else and breaking his armor.

You go to the other world to be trained by King Kame along with the rest of your dead friends. While you were dead a powerful group comes and you face the two most powerful of the group after they use their most powerful attacks on you. You power up and defeat them. When the threat of the Androids came you went to train as hard as you can. After you see Vegeta a powerful Saiyan get defeated by one of them you go any way to fight #17 but getting choked and knocked aside. Knowing that you weren't strong enough go back to training. But show back up to stall Cell's second form for a long while so the androids can escape. Firing your most powerful attack 94 times draining the life out of you every time.

But soon your body gives out after giving Cell a little beating. You go on to fight the Cell Jr's holding your own but get beaten like every one else. But later while Gohan was firing his Kamehameha at Cell you fired your own shots along with others to distract perfect Cell. You fight Trunks a Super Saiyan in a tournament and hold your own and knock him in the face but he has to go Super Saiyan to beat you. You then leave not to be seen again to continue your day to day training but by this time you and Majin Buu threatens the Earth.

When Buu fires his energy balls down on earth killing every one you dodge them all. You fly to the battle scene there you see Gohan getting beaten by Buu. But as when Buu is about to kill Gohan with a blast you deflect it with your own blast. Making Buu mad he takes you out with one kick. But later you donate your energy to help Goku to destroy Buu with the spirit bomb. Even though you were falling behind in the Saiyans shadow you kept up better than the rest of the human warriors by far.

Chinkisu takes his hand off Tien's head. "This one will do just fine with a little power increase he will serve our needs". Chinkisu walks over to Yamcha. "What ever

you going to do to me its not going to work I'll will resist you until I'm dead". Chinkisu smiles and places his hand on Yamcha's head. He reads his mind and finds out all about him his start his battles and how he gave up training because he fell to far behind the alien warriors.

"Retne, Hemoti come here". The two men dressed in purple robes walk towards Chinkisu. "These two will serve the purpose of the Master get the pods ready for departcher". "Yes sire". The two men bow and walk away. Chinkisu looks at You and Yamcha.

"Well some one has to tell Chaouzu about Tenshinhan". Goku says looking at Krillin. "Oh no not me it's always me that tells people the bad news you can find some one else". "Come on Krillin your an expert". Krillin sighs. "Ok".

Lunch sniffs and agrees. She tells Chaouzu and her son You of whats going to happen.

Chinkisu releases Tenshinhan and Yamcha's chains. They both get up as quik as

they can and get in a fighting position. They both charge at Chinkisu, AAHHH. Tenshinhan and Yamcha scream as they race towards Chinkisu. Chinkisu puts on hand up and with a invisible energy blast knocks both of them back. They get back up and charge again then when they get close to him they disappear. And reappear behind him and Tenshinhan kicks Chinkisu in the back of his neck. Chinkisu does not budge a inch.

Yamcha reappears and kicks Chinkisu in his bottom leg in attempt to trip him. Retne and Hemoti the purple robed warriors appear one next to Tenshinhan and the other next to Yamcha. They both kick Tenshinhan and Yamcha in the stomach. Then they grab them by there arms and through them in the wall. Tenshinhan gets right back up and walk into the face of Retne looking down on the red skinned man. Tenshinhan punches him in the face.

Retne's foot moves as his head goes back. He lifts his head back up with a smile on his face. He has a little blood coming from his mouth. He wipes it off. Tenshinhan cant believe that he's this powerful that he could stand his hit like that. Retne clenches his fist read to hit Tenshinhan. "Retne stop it's time for me to give them there upgrade". The purple robed warriors grab Yamcha and Tenshinhan. They both try to escape the grasp of Retne and Hemoti but cant.

Tenshinhan burst into flames and begins to move out of Retne's arm. Retne begins to sweat vains in his arm are swelling from the strain of holding Tenshinhan is doing to him. "Hold him still"! Chinkisu demands. Tenshinhan begins to slip out of Retne's hands then Retne powers up now both of them are surrounded by white flames of electricity the force of both of them knock Hemoti and Yamcha down Hemoti still holding on to Yamcha.

Chinkisu Places his hand on Tiens head through all the electricity. Tiens eyes roll up in the back of his head as Tiens body begins to glow his flames go away and he is surrounded by a white light. The light particles flow upward. Yamcha looks in astonishment at what is going on. Chinkisu lets go of his head as he falls asleep.

Hemoti picks Yamcha up. "What did you do to him". Yamcha ask still trying to get free. "The same thing I'm going to do to, you'll like the power upgrade, but I'm deeply sorry but you'll have no control of what you do". Yamcha struggles more as Chinkisu places his hand on Yamcha's head. The same process that Tenshinhan went through happens to Yamcha. Yamcha falls to the ground.

Piccolo stands and waits for every one to come. Krillin Android 18 and Maron Goku Vegeta Gohan Amber and her baby Maximus Trunks Goten Master Roshi Bulma and Puar and Olong are already there. You carrying Lunch lands on the edge followed by Chaouzu. Dende walks up to Chaouzu. "I'm sorry I know how much he meant to you". Chaouzu shakes his head and sits down.

Chaouzu has a direct telepathic link to Tenshinhan. Chaouzu opens his eyes. "No wait I think I sense him he just might be alive". Chaouzu gets up and runs off the edge powering up and then blasting off towards North city. "Chaouzu"! Goku says while running after every one that can fly follows them.

Every one soon catches up with Chaouzu. "Chaouzu what is it". Goku ask flying even with him. "It's Tenshinhan I can feel his Ki he's still alive. "Then why cant I sense it"? "Because you dont have the strong link with him that I do he's suppressing his power right now. But he is there". "Ha sly human's cheating death". Vegeta says to him self flying next to his son. "I can feel him to, and theres some one else with him". You says ready to see his father.

The group comes over North city. Chaouzu release his flames and lands on the ground. The others follow him. They all stay close together looking around. "Well where are they". Piccolo ask being frustrated that he had to fly all this way just for nothing. "Patience". You says not looking at Piccolo. Piccolo looks at the child thinking that he should no how strong he is and that he'll crush him like the little bug that he is.

Chaouzu searches around and in the distance he see's two small figures walking. Every one turns and look at what Chaouzu is looking at. The figures get bigger and bigger with hot blazing sun shinning on them. "It's Tenshinhan and Yamcha"! Krillin says with a happy relieved voice. Both Tenshinhan and Yamcha are wearing uniforms similar to Goku's but all black with black boots and the top shirt showing there chest.

They both stop in front of every one Chaouzu looks up at Tenshinhan with a very happy look. Tenshinhan and Yamcha show no expression on there face as they stare at every one with a cold look.
