

If Only: Part two!!! The Brave and the Bold!

Goku looked around to make sure no body saw him throw the sleeping gas. " Okay...Thank God no one saw.." Goku dragged Tien into the living room, and threw him on the couch. " Good night Tien..I hope he wakes up in a uhh good mode..*sweatmark*!!" Goku ran back upstairs and went to sleep. The next morning Tien woke up. ".....GOKU!!!", Tien screamed at Goku, he knew exactly what the hell had happend. Goku had been eating breakfast, and then was disturbed by Tien's yelling at him. Goku slammed his head on the table and looked up, " Yes...?", Goku peeped into the living room. Tien had one of those angry expressions on his face. " WHY THE HECK DID YOU THROW SLEEPING GAS ON ME?!" Tien screamed in anger at Goku. " Uhhh cause you uhhh werent going to sleep..?" Tien eyed goku and then hit him on the head, " You idiot.". Vegeta starting laughing his head off at erum.. 'Kakkorot'. " Vegeta shutup." 18 said angrily at him. " Woah dad your in trouble! Dad's in trouble! Dad's in trouble!" Trunks started laughing his head off at Vegeta as Vegeta fumbled around with his food and murmured to himself. Tien sighed and went outside. Bulma was outside fidiling with some comtraction. " Watcha up too?" Tien asked. " Oh Im just fixing the Hemoariedhaskes and ata blah blah blah blah!!!" Bulma started talking in her own little laguage no one could understand. So Tien just said oh thats nice and walked off.

About noon that day, Tien made it to a waterfall. "Thank God, some peace for once..". Then Tien felt a high powerlevel. The same one he had felt that day. " Eheheheheh Guess who..." A thing with long claws and a snake like head, with red eyes, and a furriry slender body, it had a tail with spikes all over it. The thing was black and had a long neck and it slithered like a snake too. It put its face right up in Tien's face and slithered, Tien looked at it discusted, " GOOD LORD! HAVE YOU EVER HEARD OF BREATH MINTS?!" Tien screamed at it as he backed off with the same discusted look on his face. Mekia looked at Tien mad as hell. " LOOK MISTER I BRUSH MY TEETH EVERYDAY!!!" Mekia pointed and shouted. " Well you might as well be brushing them with dead cod fish! Cause you breath stanks!" Tien looked at Mekia and then got in a fighting position. " ehehehe You think you can beat me?! Silly Summoner....HAHAHAHHAHAHAH" Mekia started laughing his head off. " Summoner?...." Tien looked at him confused, " Whats a Summoner?". Mekia looked at Tien with a dumbfounded look, " You dont know what a summoner is...AND YOUR A SUMMONER!?" Mekia fell down and started rolling in laughter. " SHUTUP MEKIA!" A girl with a bluish purplish horn on her forhead appeard ontop of the waterfall outta no where. She had short blonde hair and a bandana around her forhead. She had a green tube top with baggy blue jeans. " WHAT ARE YOU DOING HERE?!" Mekia looked up at her. " Stoping you from killing another Summoner!" She jumped down from the water fall, ran in front of Tien, looked at Mekia and pointed at him. "You Challenge me?...Again?!" Mekia laughed and extended his claws even longer. " Come and get me!!!" Mekia charged at the girl. She held up her sword, " Mega flare!!!!" She screamed. Just then huge pit of fire opend up before them, then a gigantic dragon with large wings and horns flew up into the sky. It was brown and slender, its head was like any other dragons head and its feet were shaped like an Eagles talons. It raised its head and roared. " Not that thing..AGAIN!!!" Mekia started running twoards the other direction. The Dragon fired a huge colorful beam at Mekia(okay so I like colorful things, please dont sew me for it! I have no money!), Mekia turned and screamed as the beam hit him, and created a huge crator. "Bahamut you are dissmised!"

The girl shouted out in command at the Dragon. It disappeared. "What was that...?" Tien asked in confusion. "It was a summon silly! You should know! You're a summoner yourself!" The girl smiled and walked up to him. "Hi my name is Kirie, and your name is?" Kirie looked up at Tien and waited for his answer. "My name is Tien." Tien looked down at her confused like. "Hmm No wonder you have no clue you're a summoner..._-.....Your horn is gone!" Kirie looked up at his head and saw the third eye. "Oh well that will have to do..", She sighed and then chanted something in a different language. "Okay Mister Tien, Now you should know something!", She giggled a bit. Tien looked up and saw a horn like Kirie's except it was white. "What....did....you....just...do...?" Tien asked. "Well I brought your horn outta hidin. It said it was kinda scared of Saiyans." Kirie sat down and got out a map. "HOW DO YOU KNOW ABOUT SAIYANS?!" Tien looked down at her in even more confusion. Kirie looked up at him, "Well if your grandparents have been to every place in the universe you would HAVE to know what a saiyin is..." Kirie stood up, she walked over to the waterfall. "I wanna meet your friends!" She turned around and looked at Tien. "Uuuhhhh.....okay."

"You know how to fly?" Tien asked her. "No duh! All Summoners know how to fly!" Kirie flew off high into the air. She stopped and waved at him, "COME ON WE DONT HAVE ALL DAY!" She yelled down at him. "Coming." Tien flew up and he led the way. When they go to Capsule Corp., Krillen was there to greet them. "Hiya there!" Kirie walked up to him. "The names Kirie! Whats your name?!" Kirie shook Krillen's hand and Krillen was only looking confused and at her horn. "Uhh my name is Krillen...." He answered as Tien walked over to them. "Hey Krillen..." Tien said. "TIEN YOU HAVE A HORN LIKE HER OMG!!!! WHAT HAPPEND!!!!??? AND HOW DID SHE GET HERE?!!!!!!!!!!" Krillen threw a fit to know. "I'll explain everything...inside!" Tien said, he pushed Krillen inside and Kirie followed laughing her head off. "Oh who do we have here?" Chichi walked up to the three. "My name is Kirie, its nice to meet you miss!" She shook Chichi's hand. "Whats that on your head?" Chichi looked down at Kirie. "This oh! This is my Horn! Im a Summoner." Kirie answered in a cheery happy way. "oh...Whats a summoner...?" Chichi asked. "Well you should ask your big pal here! He'll tell you all bout em!" Kirie walked into the living room and sat down as she leened over and peeped into the kitchen to see what Chichi would say. "Well...uhhh....." Tien began. A few hours later he had everything he could explain, explained. Chichi just sat there, wide eyed, and her mouth dropped open. Krillen..all the same. 18 had heard and she was holding Marron and she was speechless. Kirie walked in and sat down, "There are three types of Summoners, the first type is the common summoner, then there is the Grand summoner, then the Mystic. The Mystic is the strongest type, the common is the weakest." Kirie started explaining when Vegeta barged in. "DID I HEAR THE WORD SUMMONER?!" Vegeta screamed. "Why yes you did!" Kirie looked at Vegeta. Vegeta gasped in horror, "..Summoners.....WHAT ARE THEY DOING IN THIS HOUSE?! GET THEM OUT GET THEM OUT!". Vegeta kicked both Tien and Kirie out...literally. "WELL THANK YOU FOR YOUR HOSPITALITY!" Kirie screamed at Vegeta. "YOUR WELCOME!" Vegeta screamed back. Kirie sighed and turned into a Tiger. "Mystic summoners can shape shift..and your a mystic! So come on turn into a Tiger!", she was a rather small Tiger and was white and black striped. "Come on lets go!" Kirie trotted over to the gates of Capsule Corp. "Were in a city....and do you think Tigers are welcomed in a city?!" Tien sighed and turned into a Tiger too. He was a big Tiger that

was well built and was orange and black striped, like a normal tiger. Kirie jumped over the gate and broke out into a run, Tien followed and jumped over the gate and broke out into a run too. People were screaming "AAAAAAAAAAHHHHHHH TIGERS TIGERS AAAAAAAAAHHHHHHH SOME ONE HELP TIGERS!". " Where are we going?!" Tien asked, Kirie looked at him, " To save our planet and bring back your buddy!" Kirie smiled and then went faster. Tien ran as fast and then they were running side by side.

About an hour later they made it to a mountain. " Wait what are we doing here?" Tien looked at her as she walked into a cave. " Just trust me!" She ran off, Tien sighed and ran off after her. When he got to the end of the cave he saw Kirie trying to push open a door. He walked over to her. " Could ya give me a hand here?!" Kirie asked and the door bugged a little bit. " Okay." Tien said. He backed up and then ran as fast as he could and then rammed into the door. The door opened and they both fell into a deep dark hole. "AAAAAAAAAHHHHHHHHHHH" Kirie and Tien screamed as they fell, deeper and deeper into the darkness.
