\*Note: This chapter is based on a song I heard once. Its by Venessa Carlton. Its called "Paridise", Its like this "Once upon a year gone by, she saw herself give in, everytime she closed her eyes she saw what could have been, well nothing hurts and nothing bleeds, when covers tucked in tight, funny when the bottom drops, she forgets to fight..to fight, its one more day in paridise, one more day in paridise." Thats just some of the song.but I aint gonna tick you pple off! ^\_^;; heres Part Four. Oh and mister web master dude sir your highness or whatever, my story aint no where near done. I know thats bad news and all but I just forgot to put part four down on part three. ^\_^;;;\*

The dark shadows of early morning seemed to swallow the little cottage, it was silent and peaceful. The birds sang thier songs in a beautiful, rythmitic tone. Everyone lie sleeping in bed. Flo awoken and hopped off the top bunk. Kirie was on the bottom bunk. Flo yawned and stretched her arms. She walked outside. The grass was shining in the dim sunlight. The birds continued singing thier songs. She enjoyed silence and peacefulness. For one morning she could enjoy it all. Then Flo heard a light stepping sound comming from behind her. "No one should be up yet.." Flo said with a suspicious tone of voice. She turned around. A cloaked thing with pale, white hands, and long sharp finger nails, its fingers were boney and skinny. "W-what do you want?!" Flo asked, she was scared to death. "...nothing..." The thing answerd. "What do you meen nothing?" She asked. It reached out its hand and put it on her horn. "...nothing...but this." It's hood fell off to reviel a man with white skin and red eyes, he smiled and had sharp teeth. "AAAAAAAAHHHHHHHHHHHHHHHH" Flo screamed. Rikuo, Ghimari, and Tien came running out. "WHAT THE HELL?!" Rikuo screamed. "ITS THE SHIFTER!!" Ghimari screamed. "FLO!!" Tien ran twoard the Shifter and punched him , but his fist went right through. "LET HER GO!!" Tien demanded. The Shifter ripped off her horn. Flo just fell limp and the Shifter dropped her, he roard in laughter. "GIVE THAT BACK!!!" Ghimari turned transparent and rammed into the Shifter. It made the Shifter fall down and become solid. Rikuo concentrated and then a beautiful white, blue woman burst from an Icicle. Ghimari stepped back. "Okay Shiva do your stuff!" Rikuo commanded. Shiva raised her arms and spread out her fingers, a great black and purple ball of energy floated above her hands. She brought it down and it charged at Shifter. "AHAHAHAHA" Shifter hit it back as he kept roaring in laughter. "NOW THE EDILIONS SHALL BE MINE!!" Shifter roared in more laughter. "BAHAMUT!" Kirie ran out screaming as the great dragon arose again. "MEGA FLARE" She pointed at Shifter. Shifter looked at Flo's horn as Bahamut charged up the Mana beam. Tien saw his chance and ran over to Flo. "Flo! Are you okay?!" Tien asked her. She just lied there, her eyes gray and then her finger moved a bit.

Shifter placed the horn on his hand and it fused onto his forehead. "HAHAHAHAHAHAHAHAHA NOW I AM INVICIBLE!!! AHAHA!!!" Shifter kept roaring in laughter as Bahamut hit him with his all. Shiva charged up another Diamond Dust (that attack). " You think you can defeat me?" Shifter giggled and his eyes wandered over to Tien holding Flo. " ..hmm.....EhehehehahahahHAAHAHAHAHAHA!!!" Shifter kept laughing as he disappeared in thin air. Tien looked down at Flo. " What happened to you..?" Tien looked up to see Ghimari standing there with a huge frown on his face. He looked angry. " Flo...her horn was taken...Now he has the power to summon Edilions." Ghimari looked back at the others who looked about as mad as he did. " Edilions?" Tien asked. " Those are special summons only chosen summoners can summon. Thier the most powerful summons you can summon, besides your summons." Ghimari explained. "Will she be okay?!" Tien asked he looked up at Ghimari all teary. " As long as you allow her to live off your life energy." Rikuo said, he walked over to them, "You have the largest one here...so she lives off of yours." Rikuo said. " Lets just go to the Ifa tree....Maden should know what to do." Sora said, he walked over to the huge tree. " Okay, Tien...you lead." Ghimari looked back at him. " uhh okay!" Tien walked ahead of them with Flo still in his arms. Kirie ran behind Tien and then started walking when she caught up.

When they entered the Ifa tree, it was completely dark. " I should be able to fix this problem." Kirie walked in front of everyone. Her horn began to glow like a flashlight. " Now we have a flash light!" She giggled. Tien and the others followed her all the way down to a great altar. " Now what do we do?" Tien asked. Everyone had their heads bowed. " This is a Holy Summon. Its called an Aeon, its what you summon." Rikuo slightly opened an eye. " Now go get it." Gordo looked over at Tien. A slight blue light shone down out of the dark. "....." Tien walked up to the light. The blue light lifted Flo into the air. " ...flo.?" Tien looked up as she was taken away by the light. The others looked up at her. Then she stopped. She just floated there. Her long purple hair swayed in the light breeze. Then a lion like beast floated down to her. It was golden and had white angel wings. It had a lion face with cat fish like whiskers, and it had pointy bob cat like ears. It was all golden except a big line of white fur came down the neck all the way to the end of its lion like tail. Its feet were like paws sorta except it had five toes, they were pointy at the ends. He had a green triangle on his right cheek pointing left, and a green triangle on his left cheek pointing right. He had a green star on his forehead. " Its Maden..." Kirie said, she looked up at the beast. " What do you come for?" Maden asked. " For help, were wondering if you could do

something for her." Ghimari said, he stepped up. Madeen looked down at Flo who floated in front of him. " I cant do a thing." Madeen said. Flo started falling but Madeen caught her. He floated down in front of Tien. Compared to Tien, Madeen was at least 9'10". Madeen gave Flo to Rikuo, and then walked back over to Tien. He looked down at him. " You have Carnabuckle...." Madeen said, then he gasped and his eyes got wide. He looked down at Tien and then just stared at him with a shocked expression. "Ale..." Madeen stopped. He shook his head and then went back to a serious look. " Ill be your Aeon. But only untill Shifter is dead." Madeen said. Tien just stared at Madeen. " and Flo is saved." Madeen said. Madeen began to glow and from where he was standing a light shot up, and then there was a blinding flash.

After a short minute, Tien opened his eyes. They were still where they were before. " Hey Tien take a look at your horn!" Sora said. Tien looked up and saw that it was silver now. "What does that mean?!" Tien asked, he just stared at his horn. " Well, that means you got a Holy Aeon! Which was Madeen, but you got another one too...besides Madeen and Carnabuckle you have a third Aeon." Gordo explained. " But where did it come from?" Tien asked. "Maybe..check the gems!" Rikuo screamed. Tien opened up the pouch the gems and crystals and things were in. The ruby was gone, and so was the crystal. " Their gone!" Tien said. " Well because you gained the Aeons from them, but what was the crystal?" Kirie sat down and sighed. " Oh, well, we just need to keep going. Ghimari, Gizmaluke's Grotto isnt to far from here right?" Rikuo asked. " No, your not right. Gizmaluke's Grotto is on another land stupid. Madin Sarie and Hujhama's Grotto is what your thinking of..." Ghimari sighed and then walked off into the darkness. The others followed.
