

Chapter 3

To Kill or Not to Kill

Tien, Chiaotzu and Yamcha are thinking of when and how to kill Vegeta. They decide to do it on a planet when they are alone without Trunks. Trunks takes over driving for Yamcha. Vegeta goes down to train by himself. Tien, Yamcha and Chiaotzu start to train at 50 times gravity. Tien uses his Split Form against Yamcha and Chiaotzu. The 1st form of Tien fights Yamcha. Tien's 1st form spar for a bit and then Tien uses the Kamehameha Wave to knock Yamcha's lights out. The 2nd form and Chiaotzu fight. Chiaotzu kicks Tien in the head and then Chiaotzu jumps and blast both forms back together. Tien then grabs Chiaotzu and says "Sorry, for this." Then Tien slaps him around. Chiaotzu tries to get free, but then Tien throws him and Chiaotzu is down, then he gets back up. Tien and Chiaotzu keep training, while Yamcha goes into his room and grabs a bottle of aspirin. Then Tien boost the gravity up to 100 times and starts training like never before. Trunks looks at the Dragonradar and says "There is one on this upcoming planet and another on one after that." Next, Trunks lands the ship. Vegeta and Trunks then go change into their Saiyan Armor, while Tien, Yamcha and Chiaotzu are already prepared. Vegeta asks, "Who is going to come with me and search for the dragonball on this planet?" "I'll come" Tien replies. They get off the ship and begin to fly. Tien and Vegeta find the dragonball after 3 hours of looking, but someone else has it. Tien and Vegeta land. "We need that, so give it here" says Vegeta. "You'll have to fight for it." Says the unknown warrior. Vegeta gets ready to fight and ask, "What is your name?" "I am Pour, a warrior of the great Myst!" exclaims Pour. "I'm Vegeta, the Prince of Saiyans!" Shouts Vegeta. They both power up and begin to fight. Vegeta charges up a blast and fires it at Pour. Pour evades and says "Your dead if that's all you got!" Vegeta gets mad at hearing that and goes Super Saiyan 4. Pour transforms and uses his Myst Ray and Vegeta is blasted to death. Tien is caught in the blast and his arm is blasted off all the way. Tien decides he needs to fight and uses his Tri Form. Two of them attack pour while the other one tries to take the dragonball that is on the ground. The two forms that were fighting are kicked back to the third. Tien uses his multi-arm and attacks a bit more, and uses his Solar Flare and blinds Pour. Tien picks up the dragonball and flies away. Tien lands and hides in a cave to wait for the others. Tien takes a Senzu Bean and his arm grows back, then he goes outside and sees the ship landing. Tien goes to the ship and goes in and tells everyone what happened. Trunks doesn't believe it. He goes outside with everyone else and go find Pour. Trunks goes Super Saiyan and flies even faster. Tien says, "There he is". "Man, Trunks is upset about Vegeta, maybe he shouldn't have died," says Yamcha. "Your right, were monsters," says Tien. "Let's help Trunks." Says Chiaotzu. Tien, Yamcha and Chiaotzu power and go down to help Trunks. Tien uses a Kamehameha Wave and hits Pour. Trunks yells "This is for my father, Burning Attack!" Next, Chiaotzu headbutts him in the chest and Yamcha uses his Spirit Bomb with hopes to finishes Pour off. It fails. Then Trunks feels a very weak power level coming out of the water, its Vegeta. Vegeta

comes out and faints to the ground. Trunks goes over to see if he is okay. Then, Tien fires of a huge Tri-Beam and kills Pour. Tien collapses. Yamcha and Chiaotzu look for Tien's Senzu Beans. Yamcha gives Tien and Vegeta Senzu Bean and they get up. They all fly back to the ship with the dragonball. When they enter the ship they find Shinito. He says to Tien and Chiaotzu " You have been chosen to get Old Kai's power up and to receive some extra training." They agree to go and Shinito grabs them and teleports away to train at Old Kai's planet.
